## HEALTH INFORMATION PRIVACY

Effective April 14, 2003, healthcare facilities including this office are required by Federal and State regulations to take steps to maintain the privacy of your health information. Of course this has always been the policy of this office but now the government has legislated specific guidelines. A detailed NOTICE OF PRIVACY PRACTICES has been prepared by the American Dental Association and is enclosed for you.

In brief, the regulation describes what PROTECTED HEALTH INFORMATION (PHI) we can share with other health facilities, insurance companies and collection agencies. The regulation requires we inform you of your rights and that you may, in writing, restrict the disclosure of your PHI. If you feel that your health information has been violated you may file a complaint with this office and/or the U.S. Department of Health and Human Services.

I certify that I have been given the NOTICE OF PRIVACY PRACTICES.
